Griffe Montenapoleone by Vetrerie di Empoli

ARLECCHINO CUP ON TALL STEM

\$320

DESCRIPTION

This exquisite cup made entirely in glass according to artisanal methods is distinctive for its long, elegant stem and the delicate colors that adorn it, all applied by hand. A pale blue base supports the blue and red stem, while a delicate shade of amber graces the curves of the cup above. Pure gold details add a warm glow to this precious piece that can be used as a charming centerpiece to add elegance and color to any decor.
