ART DECO SIDEBOARD

\$15,375

DESCRIPTION

A striking focal point of both a contemporary or classic interior, this magnificent sideboard is a one-of-a-kind objet d'art created for an Italian Design contest. Resting on four black-lacquered metal legs, its wooden structure is composed of five doors and three drawers respectively contrasting a zebra-like veneering with a walnut finish. Inspired by Art Deco style, this unique design is marked by a modular shape that enhances its dynamic flair.
