ART DECO THRONE

\$7,910

DESCRIPTION

Not a simple seat but a throne, this stunning chair is a superb addition to both classic and contemporary interiors. Every surface of this piece is covered in an intricate, abstract decoration made up of different geometric elements assembled in a superb inlay of different woods, ash, walnut, and beechwood. This chair is best showcased in multiples to enrich a dining table, an entryway, or a study with its strong visual allure and masterful craftsmanship.
