ARTEMISIA N. 20 VASE

\$3,510

## DESCRIPTION

Masterfully handcrafted starting from a raw clay block, artist ceramist Claudia Frignani gives life to a true work of art through the “colombino” technique, whereby the inverted conical shape is enriched with a densely arranged, relief scale pattern creating a three-dimensional effect. Part of the Artemisia Collection inspired by the natural world, this vase boasts a sophisticated celadon hue with a lustrous glazed finish obtained by firing the object twice. Each vase is signed and numbered. Slight variations in size, shape, and finish are the mark of a singularly handcrafted piece.
