ARTEMISIA N.5 VASE

\$2,050

DESCRIPTION

Elegant yet simple, this terracotta vase reveals its origin in the rustic hand-carved design, which was obtained using the colombino technique, an ancient coiling method used to produce fine handmade ceramic pieces. The raised fish scale pattern adds texture to the glossy white finish obtained by firing the object twice. This process vitrifies the glaze, adding a lustrous, polished finish to this exquisite ornamental piece.
