## ARTICOLATO SCONCE

\$940

### DESCRIPTION

A dynamic addition to a modern home, this sconce can be an accent piece in an entryway, or in pair flank a mirror or a sofa in a living room. Its brass structure features two moving joints and a third operated by a thumb key. The base can move at a 30 degree angle, while the double shade pivots on its support of 360 degrees. Made of aluminum, the shade measures 12.5 cm in length and 15 cm in maximum diameter. It has lacquered color block finish that can be changed upon request with interior in ivory or gold. For customization please inquire with the Concierge.
