ASHTRAY BY GIUSTI & DI ROSA

\$810

DESCRIPTION

This elegant object was designed mainly as an ashtray but it will look just as stunning on its own as an artwork. Designed in 1972 by Giusti & Di Rosa, it is made of a solid red Bilbao round marble piece with a gracefully carved hollowed out center that highlights the multi-colored veins and the polished surface of the natural stone. Whether used for its original intended purpose, or to collect small objects such as keys and jewelry, it represents a timeless design, and will be an impeccable accent in an entryway or office as well as exquisite gift that is sure to be valued.
