#### DESCRIPTION

Elegant and modern, this chair is a superb addition to a modern study or stylish office space. Its comfortable structure rests on a base of tubular metal with a matte black lacquer, and polished gold-finished metal ferrules. The welcoming seat, back, and headrests have a beech plywood frame covered with highly resistant polyurethane foam. The stainless steel armrests have a gold finish. The non-removable cover is fashioned of leather in a rich light-brown color. Contract and commercial certifications available upon request.
