ASIA SWIVEL CHAIR

\$5,125

DESCRIPTION

This stunning chair will elevate the look of a modern study or refined office, suiting a variety of decor choices, thanks to its elegant silhouette and neutral color palette. The frame of the seat, back, and headrest is crafted of beech plywood covered with polyurethane foam. The gentle curves of the chair strikingly complement the linear tension of the 360-degree swiveling base, resting on four legs of matte black-lacquered dye-cast aluminum, and the stainless steel armrests with a polished gold finish. The non-removable cover is fashioned of silver-hued nubuck leather. Contract and commercial certifications available upon request.
