ASTIDAMIA VASE BY ETTORE SOTTASS - MEMPHIS MILANO

\$5,620

DESCRIPTION

This superb blown-glass vase was designed by Ettore Sottsass in 1986 and signed at the bottom. Its totem-like silhouette comprises an eclectic combination of delicate shapes and pastel and vibrant colors - from the flared base to the flared top - for a unique piece that will look stunning with a floral arrangement or as one-of-a-kind decorative piece. The size and colors of this piece may slightly vary from the photo due to the entirely handmade crafting process used to make it.
