ASTOR TABLE LAMP BY THOMAS BLEY - MEMPHIS MILANO

\$1,285

DESCRIPTION

Designed by Thomas Bley in 1982, this table lamp is a splendid addition to a contemporary console, side table, and even nightstand. Its conical silhouette is crafted of plastic laminate and adorned with two wooden cylinders highlighting the top, one in black and the other in blue. The bulb is a Philips PI 11W. It is possible to inquire with the Concierge for the availability of a 110V wiring before placing the order.
