ATENA CAKE STAND IN PORTORO MARBLE

\$580

DESCRIPTION

This elegant hand-crafted cake stand is a timeless piece of functional decor that will adorn with effortless elegance both classic and contemporary homes. Crafted of top-quality Portoro marble with captivating multi-hued veins, it features a thick, round top resting on a structural pedestal base. It can be used to display other items or as an outstanding centerpiece on special occasions where it will create a dynamic duo if combined with the version in white Statuario marble. Customization options are available, please consult the Concierge for details.
