## ATLANTIC CHEST OF DRAWERS BY MICHELE DE LUCCHI - MEMPHIS MILANO

\$11,260

### DESCRIPTION

Splendidly encompassing the guidelines of Memphis aesthetic, this striking chest of drawers was designed in 1981 by Michele De Lucchi. It is crafted of plastic laminate, metal, and glass and comprises a plinth base on which two large and two small open compartments create a versatile display space. The black and white color combination is strikingly adorned with round element seemingly running through the structure adding a dash of vivid yellow color. This piece is available with 90 cm or 120 cm width. Please ask the Concierge for details.
