ATLANTIDE FLOOR LAMP

\$8,160

DESCRIPTION

This exquisite floor lamp is part of the Atlantide Collection, evoking the depth of the mythical Atlantis kingdom with its signature trihedrons in Murano glass running parallel between two framing elements in nickel-plated metal. The two elements are shaped as gentle curves, whose edges almost touch but remain open, creating unique effects with the light shining from within. A superb piece of functional decor, this lamp will make a statement in a living room or study.
