### ATLANTIDE TABLE LAMP

\$3,630

#### DESCRIPTION

This stunning table lamp was crafted of exquisite trihedrons of authentic Murano glass positioned in a nickel-finished metal frame to create two curves with a sinuous shape diffusing the light shining from within. The effect is a stunning array of reflections and will be ideal for displaying in an entryway or living room, to create a refined ambiance. The available glass is transparent or amber colored. The piece can be matched with others in the Atlantide Collection.
