AUDREY CHAIR #2

\$1,980

DESCRIPTION

Bold yet understated, this sophisticated chair will complement a minimalist dining or living room decor. Entirely crafted of ebonized wood, the sleek frame is characterized by an open back covered in leather that flows into the sloping, saber legs and a wide square seat supported by two tapered front legs with chromed ferrules. A padded cushion upholstered in a soft white fabric adds an elegant finishing touch to the piece. Best arranged in multiples around a table by the same designer.
