AUDREY GREEN TABLE LAMP

\$2,545

DESCRIPTION

True protagonist of this magnificent lamp is the drum shade made of shiny, black chintz fabric with a bold alcantara central band and square antiqued silver details. Its refined black marble base with black rhinestones and black leather flared foot are the fitting support to the green glass body, accented by a handmade, antique silver necklace with a cameo. This sophisticated lamp will bring a glamorous touch to any contemporary or mid-century styled interior.
