## AUDREY LEATHER CHAIR

\$2,930

### DESCRIPTION

A classic silhouette infused with modern charm, this chair has a solid wood frame with quilted leather upholstery in smoke gray color. Simple yet elegant, the wide seat with comfortably contoured, tall backrest stands on four solid wood legs whose black color is obtained with the "poro aperto" technique whereby the pores, knots and veins of the wood remain evident. Showcased on its own in a living room, private study, or alongside a console in an entryway, this armchair embodies both comfort and style. Available also with fabric cover and in a vast range of colors.
