AUGUSTA SIDEBOARD

\$6,480

DESCRIPTION

This magnificent sideboard will be an eye-catching addition to any home. Its timeless allure is the result of a reinterpretation of traditional designs and makes this piece a striking object of functional decor. The entire structure is made of wood with a glossy black finish. The front panels are covered in new, thin ceramics, highly resistant to scratches and heat with an elegant, silk-like finish that evokes the texture of sumptuous fabrics. Two movable shelves complete the interior, while the base is composed of six feet with a ceramic insert in the front.
