AURA SITTING BALL BRITISH RACING GREEN

\$1,470

DESCRIPTION

The Aura Sitting Ball in British Racing Green is covered in the best quality handmade nappa full grain leather. Worked by skilled craftsmen, the authentic leather makes this work companion extremely durable and comfortable to use as it maintains its round shape. The counterbalance makes it possible for the sit to be always stable thanks to a precise center of mass and permits a slight rocking movement. The inside of the ball is made in rubber and able to last in time. Delivered product is not inflated.
