Manifattura Richard Ginori 1735

AUREA LARGE EGG WITH LID

\$470

DESCRIPTION

A unique decorative piece that will also be a functional container. The conical plinth base is marked in black with a white rim, while the elegant curves of the egg are adorned with a spellbinding decoration of concentric bands with a geometric pattern, topped with a white tip. The effect is mesmerizing and refined and will be eye-catching in any modern or classic interior.
