GINORI 1735

AUREA ROUND TUREEN WITH LID

\$915

DESCRIPTION

Displaying a stunning balance between classic inspiration and modern aesthetic, this magnificent porcelain tureen with lid (capacity of 4 liters) will be a precious addition to an elegant dining room and can be combined with the other items in the Aurea collection for a complete look. Its generous bowl is marked in black at the bottom and on the handles, while the sides are adorned with a mesmerizing combination of abstract patterns. The conical lid curves to add a refined accent to this piece and decorated with a color block combination of blue and white, topped with a black ring.
