AURIGA AMBER TABLE LAMP

\$755

DESCRIPTION

A glossy stainless steel frame distinguishes the modern look of this table lamp, comprised of a round base and of a cage whose thin, sinuous rods embrace a precious diffuser in mouth-blown, amber-hued Murano glass. The design reveals a sophisticated inspiration from organic shapes with its flower-bud-like silhouette splendidly diffusing the light emitted from within. Also available in a sconce variant allowing for coordinated decor solutions.
