AURUM ARGENTUM SILVER VASE

\$980

DESCRIPTION

Stunning in its simplicity, this lavish Murano glass vase is a testament to Italian craftsmanship and bold creativity. Entirely handmade, silver foil is introduced into the cooling glass to create a lustrous and highly-textured glass surface that exudes a refined, neoclassical aesthetic. This elegant decorative vase will add a distinctive accent to a classic or modern decor and will make a well-received wedding or housewarming gift. Available also in gold foil, please contact the Concierge.
