**AUTUMN CHAIR WITH WALNUT SEAT**

\$1,265

## DESCRIPTION

This elegant and minimalist chair will be a modern addition to any dining room, displaying exquisite craftsmanship and fine materials for a timeless allure. The structure is entirely made in ash wood with a natural finish. The gentle curves of backrest and armrests complement the seat that is made in multi-layer wood covered in a thin layer of walnut wood that adds a rich, warm color to the piece. Part of the Autumn series, this chair can be paired with others from the same collection.
