AVENUE LARGE PITCHER WITH HANDLE

\$80

DESCRIPTION

This elegant pitcher is part of the Avenue collection, that boasts charming, 50s-inspired designs and fresh decorations that will enliven a modern decor with understated sophistication. Its generous size makes it a stunning addition to a dining table, but also a decorative piece that can be used to display floral arrangements in an entryway or patio. Combining a fresh touch and rustic allure, this piece was crafted by hand of ceramic and is hand decorated with thin blue lines crossing on a white background. It is also available in a version without handle and in a smaller version.
