**AVOCADO COFFEE TABLE**

\$1,140

## DESCRIPTION

Inspired by the silhouette and color of a cut avocado, this charming coffee table is ideal for both residential and commercial interiors. Crafted by hand and meticulously finished in every detail, this piece features a top in poplar plywood covered with HPL (High-Pressure Laminate) with flared edges, supported by three tapered legs in solid ash with a natural finish. The top is embellished with a functional ceramic tray, adding an intriguing touch that completes the piece.
