AVORIO TABLE TOP

\$10,200

DESCRIPTION

A superb addition to an eclectic home, where it can be used to decorate a dining table or a console, this top was crafted by hand on a structure in dark grey wrought iron. The various pieces placed on this base create a dynamic ensemble of colors and textures for a striking effect. Among them shine antique ivory pieces (hence the title, Ivory in Italian), jades, bone elements, silver objects, mother-of-pearl, and two mirrors that will reflect the surrounding light, creating unique effects. The crystal top is not available. An iron base can be crafted upon request - please ask the Concierge.
