AXIS ROUND SMALL TABLE WITH MARBLE TOP BY STEFANO BIGI

\$7,760

DESCRIPTION

Part of the Axis collection designed by Stefano Bigi, this dinner table combines a round base in metal with a chrome plate and a round dark emperador marble top that effortlessly mixes classic and modern allure. The standout feature of this table is its structure crafted of Canaletto walnut and comprising two waves that open up and raise vertically, boasting the warm hue and natural grain of the solid wood. The finish is also available in wenge, walnut, tobacco, stained black and matte lacquered finish. The top can also be in clear glass or bronzed glass.
