B'ANTHOLOGY N. 4 ORANGE AND GOLD LEAF CEILING LAMP

\$800

### DESCRIPTION

This exquisite ceiling lamp is part of the B'Anthology N. 4 Collection. Its design combines modern silhouettes and classical-inspired finishes, eclectic color combinations and noble materials for a statement piece that will not go unnoticed. Its brass structure is adorned by an insert in red glass with the striking "bugnato" finish. The bubble-filled texture is a superb counterpart to the open shape of the shade that is lacquered in vibrant orange on the outside, while the inside is coated with luxe gold leaf. The lightbulb is a G9 max 18W LED.
