B'ANTHOLOGY N. 4 YELLOW AND GOLD LEAF CEILING LAMP

\$510

DESCRIPTION

This magnificent ceiling lamp will not go unnoticed in a modern or eclectic interior due to its unique shape, elegant finishes, and striking textures. The brass structure has a central decorative element in red glass with a traditional-inspired "bugnato" surface. The superb shade with yellow exterior lacquer boasts an elongated shape that is deeply cut to reveal the interior coated in precious gold leaf. This refined object of functional decor will create an unforgettable ambiance with its light from the G9 max 18W LED bulb.
