B'TULIP TABLE LAMP

\$940

DESCRIPTION

Part of the B'Tulip Collection, this elegant table lamp is a celebration of the delicate contours of a flower. Supported by a lightly curved stem, the lamp's structure is fashioned of brass with a wax-based black finish. The thin silhouette creates an angular C-shape from its square base in natural-finished brass to end in the spherical shade with a striking gold leaf coating in the inside. The bulb is a G9 max 18W LED.
