## B'TULIP TURQUOISE AND GOLD LEAF SCONCE

\$785

### DESCRIPTION

This stunning sconce from the B'Tulip Collection will not go unnoticed in a modern or contemporary interior, either as accent piece, in multiples in a hallway, or in a pair flanking a bed or a mirror. Eclectic and sophisticated, this piece is inspired by the delicate allure of nature and crafted entirely of brass, with a natural finish on the wall support, and a wax based black finish on the slightly curved stem supporting the flower-like shade. The shade is turquoise outside and coated with luxe gold leaf inside, for a magnificent look. The LED bulb is a G9 max 18W.
