BABEL PEARL WHITE TRAY BY KARIM RASHID

\$180

DESCRIPTION

Part of the Babel Collection, this tray is a superb way to serve food or display collectibles. Designed by Karim Rashid, it is made of glass that forms a perfect round flaring up in three steps. The interior is painted inside with a delicate pearl white shade, while the outside is coated with 999 silver using SilvanSputteringAg technology, a sustainable method exclusive to Argenesi.
