BABEL SET OF 2 VIOLET BOWLS BY KARIM RASHID

\$240

DESCRIPTION

This set of two glass bowls designed by Karim Rashid for Argenesi is as versatile as it is striking. The two pieces (15 cm and 22 cm in diameter) are painted vivid pink inside, while the sculptural silhouette is coated outside in pure 999 silver using SilvanSputteringAg technology, a method exclusive to Argenesi that is eco-friendly and binds the precious metal to the glass on a molecular level.
