**BABEL VIOLET TRAY BY KARIM RASHID**

\$180

---

## DESCRIPTION

This elegant and striking tray, designed by Karim Rashid, will be a splendid addition to a sophisticated home and a well-received gift. Its sculptural glass silhouette is coated inside with a vibrant shade of dark pink and outside with 999 silver using SilvanSputteringAg technology, an eco-friendly method developed by Argenesi that molecularly binds the metal onto a support.
