## BACCO CHAMPAGNE CUP

\$2,970

### DESCRIPTION

An ode to ancient Roman myth and traditional craftsmanship, this chalice is an elegant and unique work of art exquisitely crafted of silver by expert craftsmen. The smooth surface of the round base and semi-spherical cup are enriched by the stunning stem of the cup that depicts a scene with Bacchus looking at Ariadne under a tree. A superb piece that will add a sumptuous accent to enliven any occasion, this silver cup is part of a limited edition.
