BACI BLACK ASH DINING CHAIR WITH BLACK UPHOLSTERED SEAT

\$740

DESCRIPTION

Part of the Baci Collection, this chair displays a harmonious structure composed of flowing, intersecting lines crafted of FSC certified ash wood finished with black natural pigments. Compact and elegant, this chair designed by Atelier oï has a looping backrest connected to the front and back legs through two cross-over and four anchor joints. Crafted with a complex 12-step process that combines wood-bending handcrafting and high-tech, 7-axis numerical control process, this chair's seat is covered with eco-certified, natural-fiber black fabric by Kvadrat. Customization available upon request.
