BACK TO BACK SOFA

\$14,830

DESCRIPTION

Unconventional and playful, this sofa will be the focal point of a living room, where friends and family can gather around its curved design. The walnut structure has a dark American walnut finish and is hand carved. The exquisite craftsmanship work is visible in the short, curled feet and the stunning frames of the five individual backrests, each with a different silhouette. The seat (43 cm high) features a slight curve. Both seat and individual backrests are cushioned and upholstered with grey fabric, also available with nubuck cover, please inquire with the Concierge.
