## BACKGAMMON SMALL CASE

\$1,615

### DESCRIPTION

This elegant small backgammon case is made entirely in walnut wood and mahogany and uses walnut wood hinges. The playing surface is in inlaid leather and the color combination of the board can be customized. Checkers in boxwood and dice are included. A magnetic closing stores all items securely in, while the outside surface of the box is covered in elegant leather for a luxurious final effect. Different colors and types of leather are available from GioBagnara's chart.
