BALANCING FRAME BY STUDIOCHARLIE

\$380

DESCRIPTION

A modern take on a traditional object, this refined frame is handcrafted of a single sheet of polished brass bent into a V shape with a rectangular picture holder of Calacatta Vagli marble encircled in a thin brass frame. The sleek construction will let all one's favorite pictures take center stage. Perfect in a modern and contemporary decor, this chic frame designed by Studiocharlie for Salvatori will look stunning even in more traditional interiors, on an office desk, a console or a bedroom dresser.
