BALLA "EYE" IN EMERALD GREEN AND BORDEAUX SET OF TWO CHARGER PLATES

\$450

DESCRIPTION

Part of the Balla series designed by MZDS Manzi and Zanotti Design Studio for Vetrofuso, this plate was entirely made in Murano glass and celebrates bold colors and modern design. It can be paired with others from the same series, particularly with the Eye plates. The size of this piece makes it ideal to be also a serving plate or an under-plate. The striking combination of emerald green and bordeaux gives a contemporary allure to the piece.
