Vetrofuso

BALLA GREEN, GREY AND IVORY SET OF TWO DINNER PLATES

\$260

DESCRIPTION

This exquisite dish is part of the Balla series, named after one of the founders of Futurism, the artistic movement that emerged in Italy one hundred years ago. It is color in particular that inspires the elegant decoration of this piece that pairs the ivory background with a simple grey line that isolates a slice in delicate sand green. This dish was designed by MZDS Manzi and Zanotti Design Studio for Vetrofuso and it is made in precious Murano glass.
