BALLA IN GREEN, BLACK AND IVORY SET OF TWO DESSERT PLATES

\$190

DESCRIPTION

Part of the Balla series, and inspired by the importance of color in Italian art, as stressed by the Futuristic movement one hundred years ago, this plate features a simple decoration in sand green over the delicate ivory background, separated with the use of a black band. This elegant piece can be used with identical others or paired with similar ones from the same series that was designed by MZDS Manzi and Zanotti Design Studio and crafted in Murano glass.
