BALLA IN GREY, ACID GREEN AND IVORY SET OF TWO DESSERT PLATES

\$190

DESCRIPTION

Part of the Balla collection designed by MZDS Manzi and Zanotti Design Studio for Vetrofuso and executed in precious Murano glass, this dish celebrates color and modern design and can be paired with others from the same series to create a mismatched table of colorful pieces. In this case the ivory of the background is adorned with an acid green wedge, highlighted with a grey line. Subtle elegance and bold color combinations make this dish an ideal addition to any home.
