BALLA JADE GREEN, GREY AND IVORY SET OF TWO DINNER PLATES

\$340

DESCRIPTION

This elegant dish is part of the Balla series and celebrates color and modern sophistication. Inspired by the 100-year old artistic movement of Futurism and by the attention of one of its creators to color, this series is designed by MZDS Manzi and Zanotti Design Studio for Vetrofuso and entirely executed in Murano glass. This piece is in jade green and ivory, separated with a thin band in grey. Paired with identical ones or similar pieces from the same series, this dish will bring color and elegance to the table.
