**BALÙ XL BLACK CHAIR BY EMILIO NANNI**

\$2,295

## DESCRIPTION

Boasting minimalism and clean design, this chair is a modular and larger version of the refined Balù<sup>1</sup> chair designed by Emilio Nanni. Comfortable and elegant, it features a black-lacquered beechwood structure with slanted legs, and a soft seat with enveloping arms and a tall, welcoming backrest. The padding combines polyurethane and dacron. Upholstered in fine black leather, it is also available in other finishes and covers, please ask the Concierge for details. Contract and commercial certifications available upon request.
