BAMBINI AL MARE PAINTING BY RENATO CRISCUOLO

\$3,170

DESCRIPTION

In the portrait Criscuolo finds a completely personal artistic dimension where the classical canons are respected and at the same time distorted with skillful experiments on tones and volumes of colors. The brushstrokes are decisive and the color is almost tangible in its materiality. "Bambini al mare" ("Children at the sea") is a splendid oil on canvas with vivid and bright tones. This work is part of the collection 'Summertime'. The frame is included.
