## BAMBOO CONSOLE

\$6,460

### DESCRIPTION

Impeccable construction and masterful craftsmanship define this superb console. The console's open frame is crafted of brass with a satin gold finish and polished gold frond accents that add a luxurious touch to the architectural silhouette. Slender legs support two rectangular shelves crafted of wood with glazed paper for a highly textured effect. Three circular shelves accent the legs, their placement, free-spinning design, and mirrored effect acting as a stylish display that punctuates the frame's geometry. This console will be an elegant addition to any entryway or living room decor.
