Officina Ciani

BAMBOO SCONCE

\$2,390

DESCRIPTION

This stunning sconce is part of the Bamboo Collection. The skillful hands of Officina Ciani's craftsmen forge the iron structure to reveal the fine elements with the texture and shape of bamboo sticks. An ideal accent to a rustic-chic or modern interior, this sconce will make a statement in any room in the house, providing a luminous effect. Three LED E14 bulbs placed in front of the oval enclosed in a trapezoid frame with curved top reflect the light source creating a captivating atmosphere.
